# EXPORTING PRODUCTS TO THE WORLD

# HOW AN EXPORTER ADDS VALUE TO THE SUPPLY CHAIN

## **SUPPLY:**

Representing producers focused on domestic USA demand.

## **LOGISTICS:**

Turnkey solutions for successfully delivering goods worldwide.

## **CONSOLIDATION:**

Services for both dry and chilled LCL suppliers.

## **FOOD EXPORT:**

Branded Program Reimbursement funds available.

## **COMMUNICATION:**

Receive an email response within 24 hours every time.

## **DOCUMENTS:**

Receive error free documents within 48 hours of sailing.

## **PAYMENT TERMS:**

More flexible and better terms than domestic suppliers.

## **AVOID RISKS:**

Incomplete documents, restricted ingredients and non-compliant packaging.

## ALMONDS

From our humble beginnings, we have managed to become a leading global supplier of organic almonds. We have put tremendous effort into our world class facility and take great pride in what we have built for all our partners. Baughter Ranch Organics is deeply committed to the organic mission and the organic community. Our commitment to our customers and each consumer is to farm and handle organic almonds while maintaining the highest quality and integrity product possible. Organic farming, the industry we have become, and our shared goals and values are all a part of our daily lives at Baughter Ranch. We welcome the opportunity to bring you our certified organic California almonds.

scheidegger

## BULK FLOUR

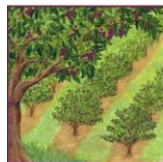

Bay State Milling is a leader in organic plant-based ingredients. We ensure our products meet the highest standards. Certified by Quality Assurance International and USDA NOP guidelines, you can be sure that Bay State Milling organic ingredients are grown by farms that practice sustainable and renewable systems of agriculture. In addition, our long-term relationships with these farms ensure you always have a consistent supply of high quality products to support your clean label.

# ORGANIC

## BUTTER & CHEESE

Organic Valley Farmers and their dairies are found all around the United States. These farmers farm organically to preserve the environment, to humanely care for their cows and to provide a more nutritious product to their customers. Organic Valley is a fully integrated dairy and offers nearly every dairy product including chilled and shelf stable milk, butter, cream cheese, shredded cheese, block cheese and powdered products. Products are available in retail, foodservice and bulk packaging.

ORGANIC

## PROCESSED HULLED MILLET

Higher in protein than rice, oats or corn, millet is a flexible ingredient for cereals, soups and other foods. Our special process cleans and hulls millet to preserve its original shape and protect the delicate outer layer. This provides a more stable shelf life, more predictable shape and more consistent characteristics for baking and other uses.

ORGANIC

*Suzie's*

CONDIMENTS

Suzie's Organics are essential for your family's table. The back-to-basic delights are gluten free and sourced in the USA from ingredients to production, bottles and labels. Handcrafted in Pendleton, Oregon, U.S.A., Suzie's Organics are not just another product hiding behind a brand. What's more? Our plant uses Blue Sky's Renewable Energy Wind Power for manufacturing! Suzie's Organics are the pantry necessities that deserve a place on your dinner table, at your next family camping trip, and during your summertime picnic or barbeque.

# ORGANIC **ACME**

## TRIPLE CROWN BBQ SAUCE

Triple Crown BBQ Sauce made its debut at the Minnesota State Fair, winning 3 blue ribbons - hence the name "Triple Crown" in the 1990's, making its way to retail shelves and commercial kitchens in 2009. In 2012 Andy Wright became the steward of the Triple Crown BBQ Sauce legacy. His first steps included upgrading ingredients, creating a product that is completely USDA Certified Organic, vegan, non-GMO and gluten free.

Triple Crown BBQ Sauces are widely available across the Upper Midwest of the United States and at over 300 retailers worldwide.
